Teacher Suggestions

Flipped contains some language that you may agree is not appropriate for young children to read and to hear. We have chosen not to purchase this title for that reason. For your information, we are providing the following list of page numbers:

Use of God's name in exclamations:

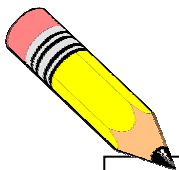

Pages
21
152
171
182

Use of the word P ___ and its derivatives:

Pages
45
46
65
66
73
76

Other questionable words and phrases:

Pages	Pages
92	119
157	133
175	154

We suggest that you write to the publisher expressing your concern about the inclusion of this language in a book for young people. It has been our experience that publishers are attuned to the letters they receive. They have been known to reissue the book after removing the questionable language.
