

Dear Class,

I'm running short on time again this week, so I let Geraldine Luvfluffer do your homework again. I hope you don't mind. I think I will have time to do it after this. Draw pictures! **Show your work!** **You may attach another sheet of paper if you'd like.** Answer in complete sentences. Love you!

Monday night homework:

hi kid.

teachr grabed me while i ran out of school on friday august 26 1994 and askd me to do do you'r homework again this week boy was i exsited. i cud hardly wait to tell my cusin jethro sneezelouder. first i run 3 1/2 hole miles home to dump my books then i troted 2 1/2 miles to cousin jethro's house. Three dogs chased me? his ma says he werent their so i draged myself home again. i shure was tired out i wish i knew how to figger out how far i went friday. Don't eat them nasty black bugs. GL

1. _____

Tuesday night homework:

thanks for the help yesterday? jethro sneezelouder my cusin came over to play on saturday. he brung fifteen power rangers people like the ones larry salazar has. i was playing with my game boy i had 3892 points i didnt want to stop until i got ten thousand points. jethro found my 8 power rangers and played with mine and his while he waited. He wanted to know how many points I had to go before we could play. i figgered it out to be 7892 points was i right. can you check it? Love, Geraldine Luvfluffer

2. _____

Wednesday night homework:

When Jethro left satrday, i found eleven power rangers how many were jethro's! my ma says she wished he had took them all how many wuld that have been? Geraldine Luvfluffer

3. _____

Thursday night homework:

Help. i counted 835 freckles on my face this morning. After i washed it i counted 729. how many disappeared! How in the world did that happen.
