

Armadilly Chili

by Helen Ketteiman
Illustrated by Will Terry

The Second Party

Objective: ...use logical thinking
... uses time to compare and order events

Billie, Tex, Mackie, and Taffy had so much fun at their chili party that they decided to have another party the next week. One brought beetle tortillas. One made a sand flea spread. One brought prickly pear pie. One made rattlesnake soup.

Use these clues to help you decide what each one brought to the second party.

Clues:

1. The rattlesnake was too heavy for the bird to catch.
2. The mammal stayed away from the sand fleas until her friend squashed them into spread.
3. The bird let her reptile friend make the beetle tortillas.
4. The armadillo did not make the soup.

Who made the beetle tortillas? _____

Who made the rattlesnake soup? _____

Who made the sand flea spread? _____

Who made the prickly pear pie? _____

	beetle tortillas	rattlesnake soup	sand flea spread	prickly pear pie
Billie Armadilly				
Tex Tarantula				
Mackie Bluebird				
Taffy Horned Toad
