

Compost Stew

An A to Z Recipe for the Earth

Objectives: ... follow multi-step directions
... use logical thinking

Following Directions

In the large diamond shape below, draw 1 thing in each triangle from your house that could go into a compost stew. In the small square at the bottom write 3 rhyming words that could go into compost stew. In each circle draw a tool you would use in a garden. In the small square at the top write the names of 3 foods that come from a garden.
