

MONKEY

A Trickster Tale From India

by Gerald McDermott

Objectives: ... use logical thinking

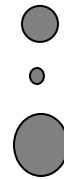

Think Like a Monkey!

1. Follow these directions:
 Draw 2 squares that overlap in a way that make a smaller square. Draw 4 dots in the little square.

2. Draw your favorite fruit with a big bite out of it.

3. If this is a crocodile
 and this is a monkey
 what can this be?

4. Name 3 things you can do with big rocks.

5. MANGO - Cross out the M and the O. Replace them with an R and an E. Write the new word.

ISLAND - Cross out the I and the L. Replace the L with a T. Write the new word.

6. Draw 3 ways to get from the shore to the island.
